TO: All Licence Holders and Ice Race Officials

SUBJECT: Additions, Deletions, Amendments

CASC - OR ICE RACE REGULATIONS 2015

Replace 8.0.4 in its entirety with the following:

The Driver having pole position shall have the choice of the inside or outside pole position. This request shall be made to the Grid Marshal at least 5 minutes prior to cars leaving the mock grid. Only the front row of the grid shall be affected by this choice, with all subsequent positions from third back remaining unchanged.

The odd number positions line up on the inside of the track and even number positions are on the outside.
