Regulations and Specifications for Car Classes Section 'G': GT Challenge Cars

© 2017 All material in this document is strictly the copyright of CASC Ontario Region, and may not be reproduced without prior written permission.

These regulations are intended to assist in the conduct of Competitions and to further general safety. They are a guide and in no way guarantee against injury or death to participants, spectators or others. No express or implied warranties of safety or fitness for a particular purpose shall be intended or result from publication or compliance with these regulations. By applying for a competition licence and/or by entering a competition event, all participants are deemed to have understood and accepted these terms, including that motorsport is inherently dangerous and it is each participant's obligation to meet and maintain compliance with all regulations to reduce the risk of death or injury to self or others, recognizing that such risk is inherent to the sport and cannot be completely eliminated. ***The Rule Book is a permissive document. Unless an item is specifically authorized by this Rule Book, it shall be considered forbidden. References to this online Rule Book are published on the CASC-OR website.***

The masculine pronouns 'he,' 'him,' or 'his' will be used generically, without actual reference to gender. The word "may", when used, gives the option of doing something. The words "shall" and "must", when used, require that it be done. The word "and", when used, means that more than one listed item may be performed, used, etc. The word "or", when used, means that one listed item may be performed, used, etc. The word combination "and/or", when used, means that any or all of the listed items may be performed, used, etc.

3.2 NEW ENTRIES

- 3.2.1 Cars not previously raced in Ontario Region shall be classed on their official practice/qualifying times as posted by the organizing club of the Event.

3.3 CLASS DECLARATION

- 3.3.1 Competitors shall be responsible for the choice of class and proper listing of class on the event entry form. Correct class designation shall be shown on the car at all times.

3.4 BREAK-OUTS

- 3.4.1 A Competitor who, during qualifying, achieves a lap time which is officially timed as less than the break-out time for the class entered, shall be listed in the results as "B/O" and shall be placed behind the slowest qualified car in the class.
- 3.4.2 A competitor who, during a race, achieves a lap time which is officially timed as less than the break-out time for the class entered, shall lose one (1) lap for each break-out.

4.0 RECLASSIFICATION

- 4.1 A competitor who, during any qualifying or race session, achieves a lap time which is officially timed as more than two (2) seconds less than the break-out time for the class entered OR who breaks out more than three (3) times in a single session, shall be listed in the results as "B/O" and shall be reclassified to the next faster class for the rest of the year.
- 4.2 Competitors may change the class designation, provided application in writing to the Clerk of the Course is made at least one hour prior to a qualifying session or race and only if they have not been reclassified due to breakouts as outlined above.
- 4.3 In either event, the class designation on the car shall also be changed to conform to the new registered class.
- 4.4 When class designation is changed during an event as outlined in 4.1 above, the competitor shall start the race behind the slowest qualified car in the class. Competitors who voluntarily request an upward reclassification, as outlined in 4.2 above, shall be allowed to retain their grid position and shall count points already gained toward the overall GT Sprints championship.
- 4.5 **CASC-OR will publish a class change form which shall be used for this purpose.**

5.0 NEW TRACKS AND TRACK CONFIGURATIONS

For the first event at a track, or track configuration, for which break-out times have not been established, there shall be no break-out during qualifying. Break-out times for each class shall be established as two seconds less than the average of the best qualifying lap times achieved by the three fastest cars entered for the class, rounded down to the nearest even second. The CASC-OR Race Director may set or alter these break-out times.
