**FROM:** Barry Greenaway, Autoslalom Director  
**TO:** All AS License Holders and Officials  
**SUBJECT:** Pro Series Championship  
**CASC - OR AUTOSLALOM REGULATIONS 2015**

---

## **Addition of Perry Performance & Competition Pro Series Championship**

### **Scope:**

Additional championship to run as a subset of the Mobil1 CASC-OR Autoslalom Championship, from 2015 onwards.

### **Rationale:**

In order to provide an additional challenge to experienced competitors in the Ontario region, an additional championship shall be added with a limited number of runs.

### **Eligibility:**

In order to compete in the Perry Performance & Competition Pro Series Championship, competitors must:

- Possess a current Class D license
- Have won a CASC-OR Autoslalom or SCCA National Tour trophy within the past two years or an ASN National Autoslalom Trophy within the past four years.
- Have submitted a complete entry with a \$25 entry fee to the CASC-OR office at latest 10 days prior to the first event of the year

### **Format:**

The Perry Performance & Competition Pro Series Championship will be conducted as part of the Mobil1 CASC-OR Autoslalom Championship in the following manner:

- Only the first three runs of the day will count towards the Pro Championship
- Pro competitors will run in the same order as the rest of the event.
- Competition in the Pro Series will not affect the competitors scoring in the remainder of the Mobil1 CASC-OR Autoslalom Championship

### **Additional Rules:**

In addition to all the posted rules of the Mobil1 CASC-OR Autoslalom Championship, Pro Series competitors:

- May not see the course at speed for any reason outside their allotted runs, including instruction runs, etc. (low speed convoy course drives as used at Picton Airport and similar are still permitted)
- Must display agreed Perry Performance & Competition decals where applicable,

over and above other Mobil1 CASC-OR Autoslalom Championship decals

**Scoring, Trophies & Championship Awards**

Pro Series competitor scoring will follow the overall PAX scoring format of the Mobil1 CASC-OR Autoslalom Championship. 100 points will awarded for the fastest run (by PAX) of the day, with the remaining Pro Series competitors scoring a percentage of those points by the same calculation of the main championship.

The Pro Series Championship will be awarded to the competitor with the highest total of points from half plus one of the total number of events at the end of the season (e.g. 5 out of 8, 4 out of 7 etc.)

Trophies will be also be awarded for 2nd and 3rd place overall.

There will be no class or category trophies for the Pro Series Championship.
