COMMENTS: - (Include requests for further action, rule clarifications, schedule changes, safety matters)

During GT Challenge it was noted by stewards that pit lane had 8 working fire bottles but only 3 pit officials available despite pit official requirements Schedule 'Q' 12.1.4. After discussion with Clerk he deployed 2 firefighters of 4 available to augment pit staff (and kudos for having a fire response vehicle available to the pit in any event.

After receiving reports of flagging inconsistencies in respect of yellow flags, Stewards attended at several corners and observed similar inconsistencies to those reported, which were brought to the attention of the Chief Course Marshall and Clerk.

2 fires in the pits Saturday morning, simultaneous, Dealt with promptly and appropriately.

One driver transported to hospital. 4 ASN Incident reports (maybe 5) dealt with by Clerk and track physician. No reports received by stewards.
