COMMENTS: - (Include requests for further action, rule clarifications, schedule changes, safety matters)

Timing System was inoperable on Sunday morning due to staffing shortage and lack of some specialized training.
Too many race groups were had false starts as the pole sitting vehicle often accelerated before the green was shown. Some outside polesitters were holding back and attempting to sling shot past the pole at the start.

Radio security of the marshal's line and the operations network was compromised by the use of CTMP radios in corner two.

Flags in corner 5A were in the wrong spot on Saturday corrected by G. McCulloch on Sunday
