COMMENTS: - (Include requests for further action, rule clarifications, schedule changes, safety matters)

A minor schedule change was made for Saturday. Notification was made by motorsportreg and announced at driver meeting.

Following a serious incident during Race 11 on Saturday the track was closed for the remainder of the day. Sunday's schedule was revised.

Delivery of driver declaration forms seemed tardy at times.

There were problems in keeping large fields in good order during pacelaps. A good solution was devised but we feel this solution might have been planned prior to the event and included in the Sup Regs.
