

Announcing : 2009 CASC-OR Inter-Club Autoslalom Challenge

Presented by:

CHANGE CRAFTER Services

Overall: This program is in its 2nd of a multi-year commitment by the sponsor and is designed to reward the CASC-OR affiliated club which is the most successful in the 2009 Autoslalom Provincial Series. The prizes can assist the clubs and CASC-OR to grow their membership through advertising or any other means they see fit. Join in!!!

Eligibility: Each 2009 CASC-OR affiliated club can enter 6 "club scoring drivers" to score points (max of 4 drivers per event will score) on their behalf at each event during the 2009 CASC-OR Provincial Autoslalom Series. Scoring uses the overall PAX scoring methodology in the rulebook, with the following changes:

1. All clubs must declare their "Club Scoring Drivers" no later than the date of the Autoslalom series first event in writing to the CASC-OR Autoslalom Director. These names may not change throughout the series except in extraordinary circumstances and with the agreement of the CASC-OR Autoslalom Director.
2. No more than 1 scoring member of each club may score Overall PAX points in any one class and each club can count a total of their 4 top scorers per event
3. Any Rookie driver declared as a "scoring driver" will use their Rookie points (they are scored against other Rookies only) rather than their overall class points for each event.
4. **All** events will count towards the season club total.
5. An event organizer may be a "club scoring driver" but will only score points if they run in the event.
6. All "Club Scoring Drivers" must display their Club logo on both sides of their vehicle.
7. Points will be based on a modified "PAX" related system defined as follows:

Overall Pax score	Interclub Challenge Score
99.5 to 100.00	10
98.500 to 99.499	9
97.5 to 98.499	8
97.5 to 98.499	7
96.500 to 97.499	6
95.500 to 96.499	5
94.500 to 95.499	4
93.500 to 94.499	3
92.500 to 93.499	2
Below 91.500	1
DNS or DNF	0

8. NOTE: Rookies use the same club scoring matrix but will use the Rookie "PAX" scores instead of the overall "PAX" scores as the base for their club challenge points.

Prizes: The clubs will receive a cash amount paid at the year end banquet as listed below:

Highest score: \$ 400.00
highest: \$ 300.00
highest: \$ 200.00
highest: \$ 100.00
highest: \$ 50.00

Entry Form: 2009 CASC-OR Inter-Club Autoslalom Challenge
