The CASC-OR 2004 Mobil 1 Autoslalom Championship Series Sponsored by Williams Performance Friction season continued June 25, with Event # 6 at the Brampton Centre for Sports And Entertainment, hosted by TAC.

The Toronto Autosport Club (TAC) have been around a long time and have a large number of active competitors in Solo 1 and Solo 2. A long time Solo 2 competitor and TAC member, Steve T., was the event organizer for Event # 6 of the Regional Series.

A turn out of 74 competitors, one of the lowest so far this season, came out on the gorgeous Sunday to compete on the

open and flowing course. Competitors managed five runs on a 60 second plus course that left a lot of optional lines through the sparsely placed cones. 15 classes were represented with 13 being filled (three or more competitors).

Now just because this was one of the lowest competitor turn outs of the year sure didn't mean the competition didn't show up. The top three competitors in DSS were separated by 66/1000's of a second. In ESS, the top two were 6/100's apart and a big upset in FSP with Tod F. beating Joe T. In Joe's defence, his wife did give birth that evening, so he may have been preoccupied. Congratulations on the baby girl, Joe!

Some of the series sponsors were out and participating including; Mobil 1's Marketing Manager, Yan Cote and Wheel & Tire Zone's Andrew Kantor. Also present for the day was a local celebrity. Tuner Transformation's Jack Mac was out with a recently modded Tuner Transformation Miata, complete with the owner and a film crew that was around most of the day. The episode, which aired on August 3<sup>rd</sup>, featured some of our regional people talking, working the event and running. It was great to see the sport get some positive media coverage.

Top competitor on the day, and the winner of the Williams Performance Friction Top Competitor Award was Simon S. in his H-Stock Mazda Protégé, taking the class win in the process. The fastest time of the day went to Bill R. in his stripped down 1985 Toyota MR2.
