New For 2019

- The MSR Text message system that we used to relay info to drivers. We thought it worked really well and drivers who didn't want it, did have the option of opting out.

- I hired legendary Track Announcer Jim Martyn to call the racing action.

This was very well received among the drivers and spectators.

Sadly Jim passed away 2 weeks after Celebration. He will be sadly missed.

I will be looking for a replacement and I do have someone in mind.

CASC's cut of the loot

The Permit fee of \$775.00 is what CASC gets per race event.

This covers the cost of Stewards travelling to different tracks and also other expenses like moving the CASC trailer to different tracks when needed.

The other income CASC gets is from licenses issued.

That's pretty much it.

Entry Fees

There hasn't been an increase in the last 5 years.
Unfortunately we have to keep up with rising costs.

For 2020 it will now cost :

- 565.00 incl. HST – Full Entry
- 400.00 incl. HST – 1 Day
- 225.00 incl. HST – 2nd Entry

The clubs must at least break even otherwise ...

WE DON'T RACE.

I want to put a team together to focus on the social media stuff that we are sadly lacking in.

I plan to continue with a new track announcer.

I want to build up the social gatherings that we used to have years ago on the Saturday nights.

BBQ's, music... that's what we used to do.

Make the weekends "EVENTS" not to be missed.
