

Stewards Report

Event	Sep 16-17 BEMC Late Summer Trophy Races
Chair of Stewards	Richard Muise
Stewards of the Event	Mary Lobban, Bill Lobban, Ted Martin, Bob Page, Bill Robb, Keith Nailer

Event Assessment/Comments

The weekend was sunny and warm.

F1200 and Formula Libre/Formula Classic grids were combined to a single race grid due to lower than expected entries. There was no 3Hr Enduro this year.

There were many on-track incidents this weekend, many races with FCY, and three red flags. The on-track issues will be discussed at the end of season Race Workshop.

The Stewards are concerned about the number of passes under yellow, including a number of alleged incidents that were not reported at the time. Competitors are reminded that if they see a pass under yellow, they can report to an official, as it might not have been reported during the session.

We also suggest reviewing the location of the Turn 5C flagging location, as was also raised in reports in previous years. The Stewards also discussed if a light system might help in certain corners due to visibility and safe positioning of the volunteer marshals.

Speaking of marshals, there were 10 people taking the MMS flagging school during the weekend.

Scrutineers completed 13 Annual inspections, and during the event re-inspected at least 8 cars for significant damage and one car that suffered a significant fuel fire.

Saturday evening, chicken dinner was served for the volunteers.

Number of Incidents/Interventions	
red flags	3
fire/rescue vehicle interventions	18
ALS ambulance hospital transports	1
Initial Location of the fire/rescue vehicles	T2, T4, T5, T8, T10
