Event	Jun 15-18 VARAC Vintage Grande Prix
Chair of Stewards	Bob Page, Mary McClure
Stewards of the Event	Mary Lobban, William Lobban, Keith Nailer, Bill Robb, Marc Marechal

Event Assessment

As usual, the VARAC Vintage Grand Prix was a well attended event. However, if it could be moved to not overlap the Montreal Grande Prix, they may be more competitors and volunteers.

The organizers did a good job organizing the paddock to get everyone in and there were food and entertainment events for every evening.

Scrutineering had a larger than normal compliment of staff and no wait time was longer than 10 minutes for annual inspections.

Drivers were raising their hands when exiting the track.

Based on the discussion of appropriate penalties for one of the RFAs, we recommend changing " Appendix B Recommended Minimum Penalties; 2.1 Passing in a Yellow Zone; 2.1.1 During Practice a" from "Upon first offence, the offending driver shall be placed behind the last qualified car in class for the next race." to " with " Upon first offence, the offending driver shall lose their two fastest qualifying laps.". This will be raised at race committee for discussion.
