COMMENTS: - e.g. schedule changes approved, suggested rule clarifications, and safety concerns.

A change of schedule to combine all stud classes was required due to low number of registered competitors in those classes.

Red flag for car into the snowbank with driver's door exposed to oncoming traffic.

Clerk spoke to a competitor for rejoining the race from the infield pit lane without permission. A discussion should be had regarding a rule to address this procedure.

Competitors were well behaved and there were no incidents that required more than discussions with fellow racers.

TAC Organizers and Volunteers put on an exceptional weekend of racing for the competitors. The days started and ended ontime with the weather cooperating both days.
