Comments

In Race #6 GT3/4/5 a competitor was Meatballed due to possible oil leak. No problem was found. The Clerk felt the competitor had been unfairly penalized by this. He requested that the grid for the 3rd race of this class be set by times not finishing position as per Rule 2.3.1 a. Stewards agreed to this if all competitors in that race were notified. This rule should be reviewed for clarification.

Sat AM, a schedule change was approved. With a light schedule practice & qualifying sessions were extended to 20 min. each. Prototype race was changed to 30 min.
