55	R. Bond		“ “ “	Stop/Go		x
55	R. Bond		“ “ “	Told to retire		x

Comments¹

Driver of an S2000 Sports Racer was transported to hospital after contact with a wall.

Process for putting cars on track from mock grid instead of going down pit lane was well received by drivers. Other organizers might wish to try it.

There were 3 red flag situations – one of which was a grass fire.

44 cars had to be towed to the paddock during the event.
