COMMENTS: - e.g. schedule changes approved, suggested rule clarifications, and safety concerns.

Overall a good event. Due to on-track incident response on Saturday, sessions were slight shortened for the rest of the day. The Enduro was ~2.5hours.

After interviews with the drivers, the Stewards consider it worthwhile to consider local radios or other methods to quickly notify mirror flagging locations around blind corners such as Turn 3 or Turn 9.

The Stewards were concerned that it appeared that some competitors were not slowing enough under a local yellow.

The Stewards recommend that the Regulations concerning the race stoppage rules be discussed for clarification.

The dinner on Saturday night was appreciated.
