COMMENTS: - (Include requests for further action, rule clarifications, schedule changes, safety matters)

Lexus Sport Cup regulations do not agree with the CASC regs. The Ice Race Director will work with the LSC coordinator to clear up differences (ie; applying penalties, gridding procedures, driver conduct.

BEMC ran a very tight event with no break on Sunday afternoon and no rescue runs and still required reducing the Sunday final round of races by two laps to prevent running into dark. The Ice Race Director and clubs should evaluate heat lengths to prevent running into dusk conditions. On the whole drivers were very well behaved. Hard snow banks prevented running the banks.
