Comments: - e.g. schedule changes approved, suggested rule clarifications, and safety concerns.

A previous Stewards' Report suggested that the flag positions at Corners 2A and 5 be reviewed as they are out of a driver's line of sight. This situation has arisen again and again the stewards strongly recommend that this review be undertaken.

We suggest that there is a clarification to let competitors know that Evans NPG waterless coolant does not meet the current CASC Race Regs.

Stewards of the Event: B. Lobban, M. McClure, K. Nailer, B. Page, B. Robb, L. Weedon
